RISING LIGHT ASTROLOGY - Classes and Consultations

In 1991, Barbara Hand Clow posited a theory in which planetary cycles could be used to predict the onset, progress, and completion of certain transformative growth cycles. The most powerful of these occurs at mid-life (early 40s) and can be viewed as spiritual emergency. Her earlier work has been updated and re-released as Astrology and the Rising...

The rising sign can be calculated only if the exact time and date of birth is known. It is believed that the ascendant characteristics are stronger when the person is born at the beginning of the sign. These signs are the first personality traits that we exhibit. AstrologyBay will help you interpret your rising sign.
