ASV's are made in Grand Rapids, Minnesota. They are made in the USA and parts are easily and readily available. ... My buddy has a RC60 with 1800 hrs and no rollers, seals, rubber boggies, lugs or tracks have been replaced - yet. The tracks are warn down quit a bit and yes, will need replacing in the near future. The tracks are supposedly made ...

Viewing a thread - ASV posi trac Skid Steer?

I did a lot of research before buying the RC-100. Looking at all and then it eventually came down to either the CAT 287B or the ASV RC-100. I heard CAT has super dealer/service support and they did have better financing deals at the time however, CAT does not make a machine that has the power, speed or capacity of the ASV. No problems or regrets.
