Wikisource: Online library of user-submitted and maintained content. While you won't technically find free books on this site, at the time of this writing, over 200,000 pieces of content are available to read.

Atlas Clinical Dermatology Vivier Anthony

Clinical Assessment: The Road Ahead This chapter provides a road map to clinical proficiency in three critical areas: the health history, the physical examination, and the written record, or "write-up." It describes the components of the health history and how to organize the patient's story; it gives an approach and overview to the physical ...
