Atlas of Human Anatomy, Professional Edition: Including ...

Atlas of Human Anatomy Professional Edition 7th Edition. Dr. Netter brought the hand of a master medical illustrator, the brain of a physician and the soul of an artist to his illustrations of the human body, and his work continues to teach and inspire.

Atlas of Human Anatomy, Professional Edition: including ...

What a wonderful book. I am not a health-care professional -- just a layman -- but this book is positively captivating. I was able to use Dr. Netter's crystal-clear illustrations to understand a shoulder injury, and while there is virtually no descriptive text other than the labelling of the body parts (it's an atlas, not an anatomy book), there is much here to learn from.
