The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public.

How to test Rad. Fan control Module, or have fans run on high
Now, this is something for the Audi folks. If your Audi is equipped with a MMI TV-module or a DVD-player, security restrictions have been applied to stop video-playback while your car is moving above a certain speed threshold.

Pusrant to my other thread I think i have determined my rad. fans are only running on low. Before I go and drop the \$\$ for a new control module can anyone tell me how to test the module or make the fans run on high. Or for that matter can someone tell me what tells them to kick into high. They come one when the a/c is on but on on low and I have never heard them on high and living in Texas it ...
