where you live, to your education and to the education of your children, and maybe even to your most intimate relationships.

## **Average Is Over: Powering America Beyond The Age Of The ...**

Meanwhile, nearly every business sector relies less and less on manual labor, and that means a steady, secure life somewhere in the middle—average—is over. In *Average is Over*, Cowen lays out how the new economy works and identifies what workers and entrepreneurs young and old must do to thrive in this radically new economic landscape.
