Barking by Tom Holt - Goodreads
Barking is a solid book by author Tom Holt. I would recommend reading either this book or "Falling Sideways" to introduce a new reader to Holt's work. A madcap tale involving werewolves, vampires, zombies, and (gasp!) lawyers, this book is filled with gags and does not disappoint.

Barking (Audiobook) by Tom Holt | Audible.com
Tom Holt 's Barking sounded as if it could be the kind of concept I would enjoy. Duncan Hughes is a nondescript little man, working for a company of lawyers in London, although not terribly hard. He struggles through the working day and goes home at night to a lonely house with no obvious friends or hobbies.

Barking Tom Holt
Barking by Tom Holt starts off a bit dull unless you are terribly fond of puns or your ideal protagonist is a hopeless twit who became a tax lawyer and found his work really boring. Once you give serious consideration to Holt's idea, however, that the practice of law is really better suited to werewolves and vampires than humans, things pick up rather nicely.

Tom Holt - Wikipedia
Holt is a little less subtle in the jokes but not much. Barking is a nice change from the setting of J W Wells, but the overall plot isn't that different. Innocent naif winds up in the middle of the supernatural running as more-or-less normal business in London.
