Calculator use is not permitted, but you'll have a periodic table to use for reference. The Chemistry SAT Subject Test is offered in August, October, November, December, May, and June. In other words, you can take it on every regular SAT test date except the one in March.

Barrons Sat Subject Test Chemistry

I had an A in Honors Chemistry and bombed the SAT Subject test. I like chemistry. Now my future plans are in limbo. I am not getting into any pre-med program with this score. My advice is look beyond 'm not both Princeton Review and Barrons to a better resource to study for this subject test. Such a waste of my time.
