Basic Counseling Skills -
Home

Learning of basic counseling skills is an integral part of the counselor's training. The need to transform young psychologists into effective counselors had been well understood by many scholars, but it was Richard Nelson-Jones who provided the trainees with material that renovated them into actual effective helpers.

by professionals and volunteers to help others in a wide range of circumstances and settings - including health care, social work, education and agencies, which provide specific advice and support to the public.

Basic Counseling Skills
The Role of the Counsellor.
Effective counselling is not advice-giving and is not acting on someone else's behalf (these are more the roles of a life coach). The ultimate aim of counselling is to enable the client to make their own choices, reach their own decisions and to act upon them
