An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

Unfortunately, the hunt, like so many events in 2020, was cancelled. But I chose that specific BLR model based on previous experiences. On my last Idaho bear hunt, I carried a bolt gun in .270 Weatherby Magnum featuring a 26-inch barrel and 46½ inches in length. It was better suited for shooting bears across a canyon, which is ultimately what ...
