How To Become A Vegan Step by Step - A Complete Guide for ...
Becoming Vegan is full of practical advice on consuming the right amounts of food, the right food, and the right nutritional habits. Unlike a lot of books on Veganism, it doesn't, to its credit, try hard to be fashionable, nor does it soft peddle the potential problems that Vegans may face in vitamin deficiencies.

Becoming Vegan The Complete Guide
The "Becoming Vegan" will give you a lot of inspiration & practical guidelines on how to become either vegan with maximum benefits for your health. If you want to know more, the same authors have a very good book called "Becoming Vegetarian" (there's a lot of extra info for vegans too, please do not treat it as simply a "lighter" version!), and I also recommend "The China Study" by prof. Campbell.
