Believing Christ: A Practical Approach to the Atonement ...

The Parable of the Bicycle teaches you that you can only get so far, and Christ makes up the difference. The problem with this is there are tons of scriptures that make it very clear that there is only one name under heaven whereby man can be saved (Note that your own name is not in that scripture) and that we must rely WHOLLY upon the merits of him who is mighty to save.

Believing Christ

The concept of this book is pretty simple: Robinson distinguishes between "believing IN Christ" and "believing Christ." The idea is that while many of us believe in Christ's divinity - His role as the Son of God and the Savior of mankind - too many don't believe Christ when He says He can save us personally.

Believing Christ The Parable of the Bicycle and Other Good

The parables of Jesus make up a crucial part of the Bible. Jesus had the wisdom to simplify the profound spiritual truths he came to share with humans in the form of relatable stories that are very easy to understand. A parable is a tale about a simple, common subject to illustrate a deeper, valuable moral lesson. The source definition of the word “parable” means a placement side by side ...
