3 Signs Of Intestinal Parasites (and what to do about it)

"Parasite" is a marvelously entertaining film in terms of narrative, but there's also so much going on underneath about how the rich use the poor to survive in ways that I can't completely spoil here (the best writing about this movie will likely come after it's released).

breaking benjamin - sooner or later (with lyrics)

Parasites stranger than this are common in the tropical regions. If Ben had travelled to a tropical country recently and went hiking in the jungle, that's likely where it came from. It's also possible that a young version of this parasite was placed under his skin by his enemies.

Benjamins Parasite

Jeff Strand's novel, Benjamin's Parasite, starts off with a teenage boy, Brian, going through a series of strange events (yes, even strange for a teenage boy) that ultimately land him getting shot in the end. At Brian's funeral, his teacher, Benjamin Wilson, shows up to pay his respects and notices that Brian's body appears to have exhaled!

Jeff Strand (Author of Dweller) - Goodreads

Just imagining a parasite in the body is a scary thing, but many people have parasites and are not even aware of it worms in humans. Parasites are microorganisms that live off other organisms ...
