950 Industrial sewing Machine. This was a good buy I already have 2 -950 machines so I did know what to look for and you cannot buy this model any more because it was discontinued by the manufacturer, my company makes drapes this is a great machine for that, just wish I would have offered them less, but I did get it for less than their asking price!

Bernina 950 Industrial Sewing Machine

I purchased ... my semi-Industrial Bernina 950 machine in 2001. I don't remember the exact price, but I want to say I paid right around \$1,700. (You can get one here: [Click here for Bernina, Tacsew, Refrey Sewing Machines and Juki Sergers from AllBrands.com.](#)) I managed to get my local Bernina Dealer to get it for me for the price I would have had to pay to get it thru the mail from a catalogue.
