Beyond Iraq: The Lessons of a Hard Place. Authors: Mr. Anton K. Smith, U.S. Department of State Date Published: 20070715 The global jihadist insurgency is undercutting the modern states system. Rebalancing focus on the instruments of national power is key to containing and shaping instability in the Middle East.

Publications - Army War College

A cloaking device, also known as a cloaking system, cloaking shield or invisibility screen, was a form of stealth technology that used selective bending of light (and other forms of energy) to render a starship or other object completely invisible to the electromagnetic spectrum and most sensors. It was encountered in varying forms over the centuries. For a period of time, the Federation ...
