The book had writing in it. If I am going to pay for a textbook "full price" I should I least have pages free from writing. If it was a rental I wouldn't mind but I brought it. Not happy, what's the point of learning when you have the answers written in? The book is still useable I just have to block out the answers.

The Biology 101 Lab Manual provides students with the opportunity to assume active roles in their exploration of the world of biology. Lab sessions supplement the lecture by implementing hands-on group activities and discussion. These activities aim to mirror the scientific community through a spirit of group learning, allowing students to discuss topics with their peers and
