Topics for extended essay in biology

The extended essay (often called the EE) is a 4000-word  
structured essay on a topic of your choice which can take many  
different forms. Ultimately what your EE ends up looking like  
depends on the topic you choose. Some students choose to write  
their extended essay in literature or history, which means they  
write a more traditional academic essay.

I'm sure all the current and past IB students know the hardship of completing an Extended Essay (EE). And for those who are not familiar with EE, it is actually "an independent, self-directed piece of research", which culminates into a 4,000-word paper. For many (including me), EE was a real boot camp training because of the effort and tenacity it requires one to possess.
