A Trip Through a 'Black Hole' - TIME

In his graphic novel Black Hole, Burns uses his trademark retro 1950's art-style. The style is reminiscent of American horror comics of that period, such as EC Comics, Eerie and Creepy. However, Burns differentiates his style by rendering his characters and environments in stark black and white, using razor-sharp edges to the imply shape and form.

Charles Burns

Charles Burns's graphic novel Black Hole is one of the medium's most iconic works of the 21st century, a towering achievement by a master cartoonist, and perennial classic some 15 years after its initial release. Set in suburban Seattle during the mid-1970s, it's the story of a strange plague that has descended upon the area's teenagers, transmitted by sexual contact.

Charles Burns (Author of Black Hole) - Goodreads

Charles Burns' twelve-volume comics serial Black Hole is difficult to summarize, if only because it visually challenges the reader in ways that are uncomfortable. From all outward appearances, Black Hole shares many characteristics in common with the 1960s underground comics movement with its emphasis on drugs and sex. That was a time of rebellion following from the 1954 Comics Code, which created an environment for self-censure and pro-Werthamian contents.

Black Hole (comics) - Wikipedia

Charles Burns's Black Hole is a strange and somewhat disturbing graphic novel depicting some teens engaging in drinking, smoking pot, and sexual acts. Ho hum, eh? It is also one of the best graphic novels and novels of any kind of the new century.

Black Hole by Charles Burns

Black Hole is Burns' magnum opus, and it is worth every chilling panel - a virus spread by sexual contact is ravaging a group of teenagers in the 1970s, but there is so much more to this book than the superficial plot. One day, Burns may be thought of in the same category as Roberto Bolano and other literary stars with a passion for the disturbing.
