How to fix the white screen problem of the Blackberry (Bold): \*\*\*READ Description\*\*\*

Hi My friend's pearl suddenly has only a blank white screen. The phone works and all that good stuff, but nothing is visible. What should she do? Also, the customer service people at tmobile have said that the only way to reset the phone is to do a "wipe handheld". I always thought that wiping the handheld was a way to erase the data, such as emails, contacts, calendar, etc. and not actual ...
