Bleed Like Me was like no other novel I've read before. It tore my soul to pieces because it was gruesome, heartbreaking, beautiful and disturbing all in one. I like dark books, and I don't need happy endings or resolutions tied in fancy bows. I can't think to whom anyone I'd recommend BLEED LIKE ME, even clients in bad relationships will probably think theirs are healthy in comparison to Brooks and Gannon's. Desir does have a readable style of writing and I might try another of her novels at some point.

BLEED LIKE ME is based on the characters from the hit ITV series SCOTT & BAILEY. It's a police procedural, but as well as a race-against-time premise to find the missing children and their father, it delves deeper into the stormy personal lives of the three female protagonists. And their lives are certainly complex.
