How to change the Spark Plugs on a BMW 318i with N43 Engine, E90, E91, E92, E93

I sold my EV MV not too long ago. I loved it, just not the steady flow of fixes. Seemed every month something was failing. I have tossed around trying to locate a 2003 MV with low low miles but these are hard to come by and still will be ten years old. I just don't have the time to be constantly working on the EV. I have been searching for options for a replacement but there is just nothing ...
