Hello I am trying to find out if my 1999 BMW E38 740iL has a starter relay and if so where it is located. I see one thread mention its under the passenger seat and another thread mention its under the E-fuse box under the hood. My car has a no start issue and I want to replace the relay or...

### 2000 BMW 740iL Sedan(E38) Fuse Housing / Relay Bracket

'97 740iL won't start. The electronics inside seem to work but the engine won't start. I checked the starter and the alternator and both work. I put the fault code tool and I get a EWS Input (EWS=Drive away Protection). Is there a fuse or relay problem? Where is the starter relay located on the 740iL? Is there a relay or fuse for the EWS? Anyone that can help will be so appreciated.
