ManyBooks is one of the best resources on the web for free books in a variety of download formats. There are hundreds of books available of interesting genres, and all of them are completely free. One of the best features of this site is that not all of the books listed here are common books. ManyBooks is in transition at the time of this writing. A beta test version of the site is available that features a service capability. Readers can also find books by browsing genres, popular selections, author, and editor's choice. Plus, ManyBooks has put together a lot of books that are an interesting way to explore topics in a more organized way.

BMW Very Rare PDF Manuals,Cataloges ... - BigCoupe.com

I am looking to get the most comprehensive manual on my '77 911s, to be used for servicing, repairs etc I have a few on the net - but I'm not sure between the workshop and service manuals? Is there a difference? I see some are sold by Bentley (although i have not found one for a 911 from folks selling in binder etc...
