The Book of Mormon, the founding document of the Latter Day Saint movement and one of the four books of scripture of The Church of Jesus Christ of Latter-day Saints, is an account of three groups of people. According to the book, two of these groups originated from ancient Israel. There is generally no direct support amongst mainstream historians and archaeologists for the historicity of the Book of Mormon. Since the late 1990s pioneering work of Luigi Luca Cavalli-Sforza and others, scientists
