Round is a Tortilla: A Book of Shapes - YouTube

A lot of the shapes and references have to do with Chinese culture. The illustrations were filled with shapes and designs, but not all of them seemed to be circular, square or a rectangle. This made the book feel like a difficult eye-spy since not all the shapes mentioned in the text were represented by the pictures.

[PDF] My Very First Book of Shapes Download or Online eBooks

Picture books specifically dedicated to shape should show illustrations of different examples of the same shape, and describe the characteristics of shapes in the text. Young children need many experiences with a variety of shapes so that they develop a rich, flexible understanding of shapes.
