Bose 901 Speaker Connection Guide The Bose 901 has been around for 50+ years and has long been considered a divisive product within the audiophile community. I was born in 1982 and until this week I had never heard the Bose 901 speakers. I ' d just heard about them. Everything we all have heard and read. The same old clichés. Some love them. Some love the nostalgia of them.

Bose 901 Series V Speaker Review - Erin's Audio Corner The Bose 901 has created more of a stir in audio circles than any other loudspeaker we can think of, with the possible exception of the original Acoustic Research system. Much of the 901's popularity is attributable to Julian Hirsch's rave report in Stereo Review, and there is no doubt but that Amar Bose's compellingly convincing ads had their effect, too.
