OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site.

### BOSS - GT-1 | Guitar Effects Processor

With the new GT-100 Version 2.0 update, BOSS' high-end multi-effects processor is now even more powerful than before, adding a host of great new features to its already formidable arsenal. Two new amp types are included, along with cutting-edge MDP effects, an acoustic guitar simulator, and an improved rotary effect.

Supercars.net

Boss Soul weapons are weapons which can be crafted from the souls that are dropped by bosses throughout the game. There are multiple weapons which can be ascended from the souls (usually two per soul). You can also consume the Boss Souls if you wish but they are best reserved for the construction of these unique weapons - especially if you are going for the associated achievement/trophy.
