of American Community, by Robert D. Putnam.

Summary of "Bowling Alone: The Collapse and Revival of ...

It was developed from his 1995 essay entitled " Bowling Alone: America's Declining Social Capital ". Putnam surveys the decline of social capital in the United States since 1950. He has described the reduction in all the forms of in-person social intercourse upon which Americans used to found, educate, and enrich the fabric of their social lives.

Bowling Alone: The Collapse and Revival of American ...

Bowling Alone is the influential book that gathered the data behind this trend and put social capital on the radar of the nation. Social networks give rise to generalized reciprocity and trust. This is social capital.
