Fuel Tank Replacement On Briggs & Stratton 4-5HP Engines

Hi, I got a Tiller from a yard sale that had been sitting a while. Took out old gas, and put in fresh.. Put a new spark plug in (RC12YC), checked gap at .030". Won't start.. Checked spark and it looks good & strong. So sprayed starter fluid in and it revs/runs for a second or three, but won't run. Took off carb and sprayed it out real good with carb cleaner and all the jets seem to be open ...

5 HP Briggs and Stratton Tiller Won't Start. Jan 19, 2018. admin. ... Briggs and Stratton engine that will not start in cold weather with the choke on unless I use starting fluid once its starts it will run and restart as long as its warm i have done numerous carburetor adjustments with no results What could be the problem here ? THANK YOU

Briggs and Stratton Parts at Jack's

The carb arrived quickly and works adequately on my 5.5 HP Craftsman Briggs & Stratton tiller. The included engine side gasket is correct , but the air cleaner mount gasket is wrong. It blocks the carb intake vent hole no matter how you try and make it fit. Either get out an exacto knife and do some micro hole cutting or hunt around small ...

Briggs And Stratton Tiller Engine

Tillers are powerful earth-churning machines. They break up, mulch, and aerate soil with deep-cutting blades that extend deep into the ground. A typical tiller is somewhat larger than a gas-powered lawn mover and requires a larger, more powerful engine. Tillers come with blades (or tines) either in the front or the back.
