Very handy for re-ordering. I made sure to put the ribbon in correctly, since it does need to be installed a certain way so that you can close the typewriter cover, and started typing. Wow, it's been a few decades since I typed with a typewriter (electronic) but this was my first experience with a fully manual mechanical typewriter.

I read some reviews about lacking installation instructions, make no sense. These ribbons are exactly like the ones I used 40 years ago. If you need to find out about installation, refer to your particular typewriter manual, as different brands, although similar in terms of installation, have slight differences in the way the ribbons work
