Burial Customs In Ancient Egypt

by Mark Cartwright (CC BY-NC-SA) Egyptian burial is the common term for the ancient Egyptian funerary rituals concerning death and the soul's journey to the afterlife. Eternity, according to scholar Margaret Bunson, "was the common destination of each man, woman and child in Egypt " (87) but not 'eternity' as in an afterlife above the clouds but, rather, an eternal Egypt which mirrored one's life on earth.

Ancient Egyptian burial practices included mummification due to the belief that a preserved body was key to ensuring a person's survival in the afterlife. The process started as soon as an important person died. Someone would bring them to an embalmer. An essential part of their job involved removing as much moisture from the body as possible.

Egyptian Burials Explained: Rituals, Graves & Modern ...

The energy devoted by the ancient Egyptians to their tombs is legendary. The pyramids of Gizeh and the tomb of Tutankhamun are just two very spectacular examples, but no previous book has sought to use the tens of thousands of tombs excavated in Egypt, dating from 5000 BC to AD 200, across all classes of society, to build up a broad picture of burial as practised across the millennia.

Indeed, the Egyptians put much thought into the way they would be buried, but these thoughts are tied more to religious beliefs like a second life after death, rather than death itself. Paragraph 2 - Early Mummies Introduction sentence (Transition) Ancient Egyptian mummies weren't always wrapped wrapped in linen and placed in golden ...

Mummification In Ancient Egyptian Culture | ipl.org

Decent burial was regarded to be of great importance in ancient Israel, as in the rest of the ancient Near East. Not only the Egyptians, whose extravagant provision for the dead is well known, but also the peoples of Mesopotamia dreaded above all else the thought of lying unburied.

Ancient Burial Practices - Jewish Virtual Library

In the early history of Ancient Egypt, bodies were buried in a shallow hole with a few "burial goods" or items from the deceased's life placed around them. When it came to lower class citizens, multiple bodies and even animals would be buried in the same plot. As the civilization progressed, the graves became more intricate.

Funeral Ceremonies in Ancient Egypt | Synonym

In addition to the richest finds, there are numerous other tombs, devoid of gold and precious objects,

which are key sources for reconstructing burial customs and Egyptian culture as a whole. This book sets the record straight, presenting evidence from each of the periods covered of poorer and average graves alongside the more famous wealthy tombs.
