The hippie movement in the United States began as a youth movement. Composed mostly of white teenagers and young adults between 15 and 25 years old, hippies inherited a tradition of cultural dissent from bohemians and beatniks of the Beat Generation in the late 1950s. Beats like Allen Ginsberg crossed over from the beat movement and became fixtures of the burgeoning hippie and anti-war movements.

The Tunisian Revolution, also called the Jasmine Revolution, was an intensive 28-day campaign of civil resistance. It included a series of street demonstrations which took place in Tunisia, and led to the ousting of longtime president Zine El Abidine Ben Ali in January 2011. It eventually led to a thorough democratisation of the country and to free and democratic elections.
