MTAC Riflescopes User Guide - Burris Optics

Mounting The Eliminator III™ LaserScope. 1. Select a Weaver-style or Picatinny-style mounting base. If a two-piece base is selected for a long action bolt rifle, the front base should be a reversible base which will need to be mounted with the extension pointed to the rear. We recommend the use of Burris Xtreme Tactical Bases as they were designed to accommodate the Eliminator III LaserScope.
