Business Algebra : Kelly Macarthur : 9781524978907

The primary goal of Business Algebra is to bring as simple, organized and straight-forward of an approach to business algebra as possible. Many students are somewhat mathemaphobic and are intimidated by mathematics textbooks. They typically don't have a great desire (or any at all) to read all the text of the sections in a mathematics book, but they desperately want to review
