C6: 2005-2007. You may notice that we did not include the full run of the C6 generation, which was produced through the 2013 model year. The reason is that after 2007, when the C6 was updated with more power, revised steering and the option of a truly upscale interior, nice examples easily exceed our \$20,000 threshold.

The C3, C4, and C5 vertebrae form the midsection of the cervical spine, near the base of the neck. Injuries to the nerves and tissue relating to the cervical region are the most severe of all spinal cord injuries because the higher up in the spine an injury occurs, the more damage that is caused to the central nervous system. Depending on the how severe the damage to the spinal cord is, the ...
