Canadian politics : critical approaches (Book, 2014 ...

This text provides readers with the tools and background knowledge to help them think seriously and critically about questions that Canada now faces. This text places its major focus between the two parts of the Canadian political system: its "environment" and its institutions. Students will be deeply engaged in the clash of interests from which Canadian political activity has stemmed, and ...

The sixth edition of Canadian Politics offers a comprehensive introduction to Canadian government and politics by a highly respected group of political scientists. For this edition, the editors have organized the book into six parts. Part I examines Canadian citizenship and political identities, while Parts II and III deal with Canadian political institutions, including Aboriginal governments ...
