Cannabis edibles are a very popular product at any Canadian weed dispensary. These delicious treats are created in controlled environments, following strict food production procedures. These delicious treats are created in controlled environments, following strict food production procedures.

Cannabis Edibles | Weed Infused THC/CBD Edibles - Cannabismo

A cannabis edible, also known as a cannabis-infused food or simply an edible, is a food product (either homemade or produced commercially) that contains cannabis extract as an active ingredient. Although edible may refer to either a food or a drink, a cannabis-infused drink may be referred to more specifically as a liquid edible or drinkable. Edibles are a way to consume cannabis.
