How to set the White Balance on the EOS REBEL T3i.

If none of the preset white balance options on your Canon Rebel T3 or T3i produces the right amount of color correction, you can

Get Free Canon T3i Manual White Balance

create a custom white balance setting. To use this technique, you need a piece of card stock that's either neutral gray or absolute white – not eggshell white, sand white, or any other close-but-not-perfect white.
