The Cessna T303
Crusader was the
last piston twin
designed by
Cessna and, in
some ways, the
most advanced.

Where To Download Cessna T303 Poh

It was originally designed to compete as a low powered trainer but market economics changed in the late 70's, and it emerged as a cabin-class twin that would replace the 310 and compete with

Cessna T303

Crusader -

Wikipedia

The T303 is probably one of my favourite Cessna twins. Nice & compact aircraft. I actually saw one on the ramp a couple of days ago. (they're quite rare) It's

Where To Download Cessna T303 Poh

a real sweet spot of a solid aircraft & right size for 4-6 people. Looks good too. Also relatively modern compared to the older twin cessnas. In fact, I think it was Cessna's last twin.
