They must be solid, heavy and joined with the frame. Plastic, metal, or rubber legs are not as sturdy as wood, and may scratch your floors.

Chances Are: Adventures in Probability - free PDF, DOC ...

Chances Are... discusses many social issues where probability and statistics play (or should play) key roles. Its approach is much more literary, philosophical, and historical than most other books in this genre. It starts by introducing many of the usual probability basics, such as dice games, Pascal's triangle, Bayes' theorem, the Poisson distribution, and Venn diagrams, all with interesting ...
