Videos - HuffPost

The first one is a movie about 2 children that are in a house that is swept away into a river, the children are upstairs, and they realise that there is a wild cat or cats (cougar, lion?) downstairs. The second one is about a man driving up a road and a lady comes out from the side of the road covered in blood.

What Was the Name of That Movie? (page 9) - Movies

One scientist is a girl and the other two are men, one older and bald. The movie is made of self contained episodes, so I think it is a failed TV series in form of a movie. <i>In one episode they find a community of people the do not get old but they become senile, and the scientist convinces the bald scientist to use the other two as test ...

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.
