V50 Pro is the cheapest 4K action camera featured on this list. Even though this model is nearly 4 times cheaper than GoPro's Hero 6, it offers surprisingly adequate video quality. Moreover, the camera allows recording time lapses in extremely high quality.

15 ?heapest 4k ?ameras Guide - Which is the Best 4k Camera?

The longer a camera has been on the market, the more the price tends to fall. Some camera makers have a strategy of keeping older models on sale to tempt users into the system at a bargain price point – Panasonic and Sony in particular. These older models often don't give much away in terms of specs, but are massively cheaper.
