You can search Google Books  
for any book or topic. In  
this case, let's go with

"Alice in Wonderland" since  
it's a well-known book, and  
there's probably a free  
eBook or two for this title.  
The original work is in the  
public domain, so most of  
the variations are just with  
formatting and the number of  
illustrations included in  
the work. However, you might  
also run into several copies  
for sale, as reformatting  
the print copy into an eBook  
still took some work. Some
