### Where Are They Now? Archives | Hollywood.com

Working with Jack in NEWROCKIES Technical Support, I double check all wires against the diagram, everything is matching. The PRO Module doesn't even turn on. I also check the vehicle battery to make sure it doesn't have low voltage, it was 12.2 volts. Then I went ahead and checked all fuses personally, I had asked someone else prior, bad plan.

### NEWROCKIES Inc. Passlock Bypass disables the ENTIRE system.
