We will be hosting former bureau chief of the Financial Times in Beijing—James Kyng—to talk about his new book "China Shakes the World: A Titan's Breakneck Rise and Troubled Future—and the Challenge for America." Drawing from his book (which I can testify is a super read), Mr. Kyng will discuss how China's hunger for foreign jobs, raw materials, energy, and food will reshape world ...

James Kyng - Wikipedia
China Shakes the World is a brief anecdotal survey of China's rise as a great economic power. I took three major themes from the book: - Many of the Chinese government's current policies are forced upon it. China's people have come to expect sustained high growth rates, and a failure to meet this expectation would have severe consequences for ...
