The first edition was a landmark experiment: it was both produced in paper copy and made available for free download under a Creative Commons license. The 400 paper copies sold rapidly and over 80,000 copies of the full text have been downloaded, in addition to thousands of copies of individual chapters.

The Theory and Practice of Online Learning: 2nd edition

Actually, many Chinese people mock western commentators for how bad their takes are. Those commentators often have a superficial or highly western-centric understanding of things in China, resulting in wrong or incomplete interpretations. Lack of Chinese language understanding is a contributing factor.
