Wikibooks is a useful resource if you ' re curious about a subject, but you couldn ' t reference it in academic work. It ' s also worth noting that although Wikibooks ' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Haynes Chinese Taiwanese Korean Scooter Repair Manual

Note there is no single fixed definition of a scooter (also known by the full name motor-scooter), but generally a smaller motorcycle with a step-through frame is considered a scooter, especially if it has a floor for the rider's feet (as opposed to straddling the vehicle like a conventional motorcycle). Other common traits of scooters can include: bodywork (so the mechanicals are not exposed ...
