Instead, I want people to realize that the recent history of Christianity's acceptance of democracy and popular sovereignty is just that: recent. Contrary to what some Christians say, it's not inherent in or mandated by Christianity — especially since so many of the same Christians also work towards reductions in democratic liberty and personal autonomy in so many political contexts.

Is Christianity Compatible with Democracy?

By contrast, a markedly different political culture and a more inclusive Labour Party precluded the emergence of Christian Democracy in Britain. Given the importance of transnational Christian Democracy in the early history of European integration, it was hardly surprising, therefore, that Britain lay outside "core" Europe, consisting of the European Community's original member states.
