The just released new LIONHEART album "The Reality Of Miracles" is without a doubt one of the best melodic rock records of the year. However, the digital download version resulted a bit weak in dynamic range, quiet. Seems the band wanted to avoid the brickwalled mastering – which sounds louder but at the risk of distorted as well. This Digipak CD version is properly balanced in sound ...

Miracles is a book written by C. S. Lewis, originally published in 1947 and revised in 1960. Lewis argues that before one can learn from the study of history whether or not any miracles have ever occurred, one must first settle the philosophical question of whether it is logically possible that miracles can occur in principle.
