It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.

Medieval education in Europe: Schools & Universities

A university (Latin: universitas, 'a whole') is an institution of higher (or tertiary) education and research, which awards academic degrees in various academic disciplines. Universities typically provide undergraduate education and postgraduate education.. The word university is derived from the Latin universitas magistrorum et scholarium, which roughly means "community of teachers and scholars".

Church of Christ Affiliated Colleges in the US

The old myth is that The Catholic Church stifled learning in the supposedly "dark" Middle Ages. But the fact is that the Catholic Church actually created the university system during the Medieval Era. The
